Independent auditor's report to the members of HKMake Limited 香港創造有限公司

(Incorporated in Hong Kong and Limited by Guarantee)

We have audited the financial statements of HKMake Limited (the "Association") set out on pages 5 to 13, which comprise the statement of financial position as at 31 December 2014, and the statement of comprehensive income, statement of changes in accumulated funds and statement of cash flow for the year ended 31 December 2014, and a summary of significant accounting policies and other explanatory information.

# Directors' responsibility for the financial statements

The directors are responsible for the preparation of financial statements that give a true and fair view in accordance with Hong Kong Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. This report is made solely to you, as a body, in accordance with section 80 of Schedule 11 to the new Hong Kong Companies Ordinance (Cap. 622), and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### 1 General Information

The Association is incorporated in Hong Kong and Limited by guarantee. The registered office of the Association is at 14/F, 100 Jervois Street, Sheung Wan, Hong Kong.

The principal activity of the Association is to promote and support science, engineering and arts in Hong Kong.

# 2 Basis of Preparation

(a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards (HKFRSs), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards (HKASs) and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (HKICPA) and accounting principles generally accepted in Hong Kong. These financial statements also comply with the applicable requirements of the Hong Kong Companies Ordinance 53, which for this financial year and the comparative period continue to be those of the predecessor Hong Kong Companies Ordinance (Cap. 32), in accordance with transitional and saving arrangements for Part 9 of the new Hong Kong Companies Ordinance (Cap. 622), "Accounts and Audit", which are set out in sections 76 to 87 of Schedule 11 to that Ordinance. A summary of the significant accounting policies adopted.

(b) Basis of preparation of the financial statement

The measurement basis used in the preparation of the financial statements is the historical cost basis except that the following assets and liabilities are stated at their fair value as explained in the accounting policies set out below.

The preparation of financial statements in conformity with HKFRSs require management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

# 3 Applications of new and revised Hong Kong Financial reporting standards ("HKFRSs")

# (a) Applications of new and revised HKFRSs

The Association has applied the following new and revised HKFRSs issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") for the first time in the current year:

| Amendments to HKFRSs  | Annual Improvements to HKFRSs 2009 - 2011 Cycle         |

| Amendments to HKFRS 10,<br>HKFRS 12 and HKAS 27 | Investment Entities  |
| Amendments to HKAS 32                           | Offsetting Financial Assets and Financial Liabilities        |
| Amendments to HKAS 36                           | Recoverable Amount Disclosures for Non-Financial             |
|   | Assets   |
| Amendments to HKAS 39                           | Novation of Derivatives and Continuation of Hedge Accounting |

HK(IFRIC) - Int 21 Levies

The application of the new and revised HKFRSs in the current year has had no material impact on the Group's financial performance and positions for the current and prior years and/or on the disclosures set out in these consolidated financial statements.

### (b) New and revised HKFRSs issued but not yet effective

The Association has not early applied the following new and revised HKFRSs that have been issued but are not yet effective:

| HKFRS 15             | Revenue from Contracts with Customers                        |
|----------------------|--|
| Amendments to HKAS 1 | Disclosure Initiative <sup>3</sup>                           |

| Amendments to HKFRSs | Annual Improvements to HKFRSs 2011 - 2013 Cycle <sup>2</sup> |
| Amendments to HKFRSs | Annual Improvements to HKFRSs 2012 - 2014 Cycle <sup>3</sup> |
|                      |  |

<sup>&</sup>lt;sup>1</sup> Effective for annual periods beginning on or after 1 January 2017

# 4 Significant accounting policies

\*\*\*\*\*\*\*\*\*

# (a) Impairment of assets

At the end of each reporting period, the Association determines whether there is any indication of impairment of assets. If there is any indication of impairment, the recoverable amount of the relevant asset or group of assets is estimated and compared with the carrying amount.

<sup>&</sup>lt;sup>2</sup> Effective for annual periods beginning on or after 1 July 2014

<sup>&</sup>lt;sup>3</sup> Effective for annual periods beginning on or after 1 January 2016

<sup>&</sup>lt;sup>4</sup> Effective for annual periods beginning on or after 1 July 2014, with limited exceptions. Earlier application is permitted.

### 4 Significant accounting policies (continued)

# (a) Impairment of assets (continued)

If the recoverable amount of an assets or a group of assets is less than its carrying amount, the carrying amount of the asset or group of assets is reduced to the recoverable amount. Impairment losses are recognised as an expense in profit or loss.

#### (b) Receivables

Receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method. A provision for impairment is established when there is objective evidence that the association will not be able to collect all amounts due according to the original terms of the receivables. The amount of the provision is the difference between the asset's carrying amount and its recoverable amount. The amount of the provision is recognised in profit or loss.

# (c) Payables

Payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

### (d) Income tax

Income tax expenses represent the sum of the tax current payable and deferred tax.

The tax currently payable is based on tax profit for the year. Taxable income differs from surplus before tax as reported in the statement of comprehensive income because it excludes items of income and expenses that are taxable or deductible in other years, and it further excludes income and expenditure items that are never taxable and deductible.

Deferred tax is the tax expected to be payable or recoverable when the Association recovers or settles the carrying amount assets or liabilities recognised in the financial statements.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realized. Deferred tax is charged or credited to profit or loss, except ehen it relates to items charged or credited to other comprehensive income or directly to equity, in which case the deferred tax is also dealt with in other comprehensive income ore directly in equity respectively.

# 10.2 Financial risk factors

Financial liabilities
Amortised cost

Exposure to interest rate, liquidity, currency and credit risks arises in the normal course of the Association's business. The Association's overall risk management policy focuses on minimizing all potential financial risks facing the Foundation.

The Association's exposure to these risks and the financial risk management policies and practices used by the Foundation to manage these risks are described below.

# 10 Financial risk management (continued)

# 10.2 Financial risk factors (continued)

## (a) Interest rate risk

The Association has exposure on cash flow interest rate risk which mainly arises from bank deposits, which is considered insignificant.

# (b) Liquidity risk

The Association monitors its risk to shortage of funds by reviewing its cash flow forecasts, which consider the maturity of both its financial instruments and financial assets and projected cash flows from operations. The Association will consistently maintain a prudent financing policy and ensure that it maintains sufficient cash and credit lines to meet its liquidity requirements.

The maturity profile of the financial liabilities as at the end of the reporting period, based on the contracted undiscounted payments, is as follows:

# (c) Credit risk

The Association is exposed to credit risk on financial assets mainly attributable to bank balances. As these deposits are placed in a bank with good reputation, the credit risk is not considered to be high.

At 31 December 2014, the maximum exposure to credit risk is represented by the carrying amount of each financial asset.

# 10.3 Fair values

The carrying amounts of the Association's financial instruments carried at cost or amortised cost are not materially different from their fair values as at 31 December 2014 and 2013.
